Release Date	September 2024
Embargo Date	September 2024
Product Availability Date	September 2024

The Perth Mint is pleased to release this 1oz gold coin featuring an iconic Australian natural gold nugget.

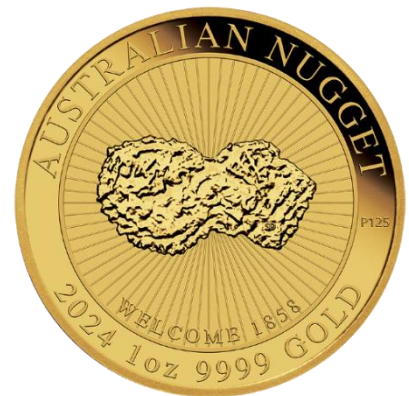

The history of gold is unequalled by that of any other metal because of its perceived value from earliest times. According to history, a gold nugget weighing more than 68 kilogram was discovered in Ballarat, Victoria in 1858 by twenty-two Cornish miners. Being one of the biggest gold nuggets found in Australia, this iconic nugget is now known as The Welcome nugget. Gold nuggets continue to be found by prospectors throughout Australia to this day.

Struck by The Perth Mint from 1oz of 99.99% pure gold, this coin is issued as legal tender under the Australian *Currency Act 1965*. No more than 7,500 of the Welcome Nugget 2024 1oz Gold Bullion Coin will be released.

DESIGN

The coin's reverse portrays an artistic representations of an Australian natural gold nugget on a background of radial lines suggesting sun rays. As well as the inscriptions 'AUSTRALIAN NUGGET' and 'WELCOME 1858', the reverse includes The Perth Mint's 'P125' mintmark signifying The Perth Mint's 125th anniversary, the coin's weight, purity, and 2024 year-date.

The obverse bears the Dan Thorne effigy of His Majesty King Charles III, as well as the coin's monetary denomination.

PRESENTATION

The Welcome Nugget 2024 1oz Gold Bullion Coin is presented in a protective acrylic capsule.

AUTHENTICATION FEATURE

Each coin's reverse includes a security feature in the form of a micro-laser engraved letter within the design. It is only detectable under a magnifying glass.
