The Perth Mint is pleased to present the Australian Kookaburra 2026 2oz Silver Proof High Relief Gilded Coin.

Beloved the world over, our signature coin series celebrates one of Australia's largest kingfisher, the kookaburra. Famed for its raucous laughing call and rich brown-and-white plumage, the kookaburra is heard across Australia – from the outback to the back yard. Native to the Australian bush, the kookaburra brings life to any landscape with its distinctive voice and bold, confident presence. Known for its keen hunting skills and strong family bonds, this remarkable bird embodies the spirit of the wild. Whether heard at sunrise or seen perched proudly on a branch, the kookaburra offers an authentic and memorable connection to Australia's natural beauty.

The coin's reverse design depicts an image of the famous bush bird in flight over a river, framed by lush trees and rugged rocks. The bird and outer ring of the coin are gilded in 24-carat gold. The reverse also includes the inscription 'KOOKABURRA', The Perth Mint's 'P' mintmark, and the coin's weight, purity and 2026 year-date.

TECHNICAL INFORMATION

The coin has been struck with an extra-deep blank to showcase its superbly detailed design in high relief.
