

The Queen's Beasts The Black Bull of Clarence Two Ounce Fine Silver Bullion Coin

The latest release in The Royal Mint's Queen's Beasts Collection is the Black Bull of Clarence. Inspired by ancient symbols of power and identity, the collection brings to life the ten imposing statues that lined the entrance to Westminster Abbey in 1953 at the coronation of Her Majesty The Queen.

Following the success of the Lion of England, the Griffin of Edward III, the Dragon of Wales, and the Unicorn of Scotland we're excited to reveal The Black Bull of Clarence One Ounce Fine Gold Bullion Coin, featuring another original design by acclaimed coin designer Jody Clark.

The bullion coins of The Queen's Beasts Collection are also available as a one ounce fine gold edition and a quarter-ounce fine gold edition.
