

NEW!

2021 MAPLEGRAM25™ (BULLION GML 25 X 1 G)

LAUNCHING

13 January 2021

SMALL SIZE. UNIQUE OFFERING.

Admired by investors throughout the world, the Royal Canadian Mint's Gold Maple Leaf (GML) coins are struck with the distinctive Canadian maple leaf design and are unsurpassed in quality.

The Royal Canadian Mint is proud to launch the 2021 Maplegram25™, a composite of twenty-five GML coins each weighing 1 gram of 99.99% pure gold, packaged in a divisible blister pack wrapped in an elegant sleeve. Each coin blister has a distinct serial number, and the assay certificate on the sleeve certifies the purity and weight of the coins.
