

**AUSTRALIAN LUNAR SERIES III
2024 YEAR OF THE DRAGON
GOLD BULLION COINS**

KEY SELLING POINTS

- Trusted investment options
- 99.99% pure gold
- Australian legal tender
- Wide range of coin sizes
- New reverse artistry
- Limited mintage on 1oz coin

These magnificent gold coins celebrate the Year of the Dragon, the fifth of twelve animals associated with the ancient Chinese lunar calendar.

Those born under the sign of the Chinese Lunar Dragon in 2024, 2012, 2000, 1988, 1976 and every 12th preceding year, are said to be ambitious, successful, and charismatic.

No mintage limit applies to the 10oz, 2oz, 1/2oz, 1/4oz, 1/10oz, and 1/20oz coins. However, production will close at the end of 2024 when The Perth Mint will declare each coin's official mintage.

The Perth Mint will produce no more than 30,000 1oz coins. Production will cease when the mintage is fully sold or at the end of the series, whichever comes first. Due to the low mintage of the 1oz size it is highly sought-after and is sure to sell out fast.

Meticulously struck from 99.99% pure gold, the coins are issued as legal tender under the Australian *Currency Act 1965*.
