The Perth Mint is pleased to present the 80th Anniversary End of WWII - Winged Victory 2025 1oz Gold Proof Coin.

In Greek mythology, Nike is the goddess who personifies victory in any field including athletics competition and war. Since classical times, she is often portrayed in Greek art as "Winged Victory". In Australia, she was the inspiration for Gilbert Doble's *Winged Victory*, created for the top of the Marrickville Soldiers' Memorial unveiled in Sydney after World War I. Having suffered considerably from the elements, the elegant copper statue was restored and permanently transferred to the Australian War Memorial in Canberra in 2013 as an object of national significance.

In 2025, The Perth Mint commemorates the 80th anniversary of the end of the Second World War. This pivotal event in global history is honoured every year on VP (Victory in the Pacific) Day held on 15 August. The day serves as a powerful reminder of Japan's acceptance of the allied demand for unconditional surrender on 14 August 1945.

The coin's reverse presents a powerful portrayal of Nike as Winged Victory. Her muscular figure, symbolising strength, stands with ethereal, feathered wings spread out in full glory. She clutches a sword in her right hand, as a gesture of respect, and a palm wreath in her left, signifying her role as the messenger of victory. As well as the inscription "80 YEARS END OF WWII 2025", the reverse also incorporates The Perth Mint's 'P' mintmark.
